

Thank you for your interest in Stuff4Lawyers' Message On Hold, a series of 15 rotating messages that replaces your phone system's hold music. The Message On Hold product is delivered to you as an audio compact disc. It's easy to use: just provide the cd to your phone system administrator, and make sure your cd player has a **repeat function, battery backup, and audio output** (all standard on virtually all players.)

The three packages offered are outlined below.

Standard: \$249—Call 1-877-362-6692 to Order.

This is our all-purpose selection of 15 messages for personal injury law firms. You can refer to this package's scripts on the next page.

Premium: \$499—Complete Attached Form to Order.

The Premium (mid-level) version of Message On Hold allows you to choose the best messages for your firm's specific practice areas. You get your choice of up to 15 messages from the complete list of messages, which follows.

Custom: \$899—Complete Attached Form to Order.

Our Custom Message On Hold service allows you to create a customized on-hold experience for your clients and prospects. With our custom product you get:

- Your choice of up to 15 messages from the complete list of messages, which follows
- Your firm's name mentioned contextually within each message (and website and location, if applicable)
- Optional: Supply your very own scripts for up to 5 of the 15 messages!

To order the Custom or Premium Package, please use the enclosed form:

1. Select up to **15 messages** from the list of messages provided in this packet
2. Fill out the form, including Message Item Numbers and firm information (including pronunciation, if applicable).
3. **Optional, Custom:** replace up to five of the 15 with your own scripts. Please write legibly on the form!
4. Once we receive the completed form, we will record your customized messages and then send you a compact disc and keep a master copy on file.

Call Stuff4Lawyers at 1-877-362-6692

Holiday Version

We also offer an additional holiday-themed copy of your Message on Hold package. This additional disc holds an identical message lineup, but with holiday music substituted for the normal music played between recorded messages.

Prices are as follows:

- **Standard: \$99**
- **Premium: \$99**
- **Custom: \$129**

When the winter holidays roll around this year, be prepared! Just check the appropriate box on the order form.

If you've been hurt by a defective product, please stay on the line and [Name of Firm] will be glad to answer all of your questions when we return.

Item DF #193

Sometimes big corporations and manufacturers put profits before safety. Sometimes they make the wrong decision and produce products that are dangerous and unsafe. If you feel you've been hurt by a defective product, please continue to hold. Your call is very important to [Name of Firm].

Item DF #194

Have you or someone you know been hurt by a defective product? Did the manufacturer make the product correctly? Did they use inadequate materials? Was there a design defect? Were there insufficient warnings and instructions for the use of the product? Please stay on the line and [Name of Firm] will be glad to give you more information about defective products when we return.

Item DF #195

Think about how many different products you use everyday. As consumers we should demand that they be made safe? Products that are defective can cause serious injury, even death. It's people just like you who bring defective and unsafe products to our attention. You help make America a much safer place to live. Please stay on the line, at [Name of Firm], we want to hear what's happened to you.

Item PH #196

The Pharmaceutical industry is big business. Often times, drug manufacturers pressure the FDA to approve their drugs and then aggressively market them to doctors and the public. To the drug companies, the profits sometimes out weigh the risks to our health and safety. If you believe a prescription drug or over-the counter medication has caused injury to you or someone you love, please stay on the line. One of our staff from [Name of Firm] will be right with you.

Item PH #197

In the past few years, many drugs have been pulled from the market because of health risks that were hidden or ignored before the drugs were approved. Many of these drugs and medications have been proven to be dangerous and have caused serious side effects, even death. If you or someone you love has been seriously hurt by a prescription drug or over-the-counter medication, please stay on the line. Your call is very important to [Name of Firm].

Social Security Disability**Item SS #161**
